IMPORTANT INFORMATION REGARDING DOGS IN THE APEX FIELD HOUSE:

- The Facility Management has asked us to keep dogs out of the lobby area. Many groups are using the building and the staff is concerned about the dogs going through the lobby area with all the children present.
- Dog Treats will be allowed on the turf, but to minimize the chances of dropped treats, the club will also have a special treat area available for dogs entering or exiting the ring, please be careful so we don't lose this privilege. Only dogs getting ready to run are allowed on the turf.
- *DO NOT ALLOW YOUR DOG TO RELIEVE ITSELF ON THE FLOWERS, LANDSCAPING OR ROCK AREAS ALONG THE WALK WAYS AND BUILDING SURROUNDINGS.*

YOU CAN MAKE IT EASIER TO HOLD FUTURE DOG EVENTS AT THIS FACILITY BY ADHERING TO THE FOLLOWING SITE REQUIREMENTS:

- Only dogs that are getting ready to run, that are running, or that just ran are allowed on the turf. Unentered dogs are not allowed on the turf.
- To minimize traffic on the turf and to give dogs warming up and cooling down as much room as possible, we are asking you to leave your personal chair outside the turf area unless you are working in the ring and prefer your own chair for your volunteer assignment.

CRATING:

- Please bring clean mats to put under your crates. The cleaner we leave the facility, the easier it will be for clubs to schedule events here. It also helps reduce the impact of cleaning expenses on entry fees.
- Please be courteous with your set up. The aisle ways are narrow, and everyone should make an attempt to allow as much space for dogs and handlers to move about as possible. There is ample space available for crates and chairs, but not for extras like tables and excessive storage. The trial committee reserves the right to rearrange set ups if necessary to accommodate all participants.
- X-Pens are permitted, but size should be appropriate to the number of dogs within.
- Please leave the corners and wider aisle areas for those with large dogs and the tight aisle near the penalty boxes for small dog crates.
- Please remember to keep the exit ways more open, as everyone must pass through these areas, and they should have a space that lets them be comfortable doing so.
- Please respect "NO CRATING" areas.

TRIAL SET UP:

- Set up starts at 6:30 am on Saturday. We would greatly appreciate assistance with set up Saturday morning. So that we may prepare for the trial as quickly as possible.
- No Friday set up.

FOOD AND REFRESHMENTS AT THE TRIAL

No Food Vendor will be onsite for this event. Several food establishments are close by. Filtered water is available in the arena. Please bring your own water bottle.

USEFUL INFORMATION ABOUT THE APEX FIELD HOUSE:

- The facility contains two full-sized turf arenas connected by a lobby. We will be using the south field. As you stand in the parking lot looking at the lobby, our field will be the one on the right. The door on the southwest corner of the building will provide the easiest access to the field and it will be open during trial hours.
- The arena is climate controlled, with built in radiant heat and evaporative cooling as needed.
- The parking lot is close to the arena, so crating out of the car is a viable option depending on weather conditions. The trees in the parking lot are not mature enough to provide useful shade.
- Some bleacher seating for spectators is available outside the field. Tables and chairs are also available in the lobby.
- Grassy parks and athletic fields surround the facility. Dogs are allowed in the parks. Dogs must be leashed.
- The areas around the building and parking lot that are landscaped with rocks and mulch are off-limits to dogs. Grassy areas are fine.
- Soccer leagues will use the north indoor field during trial hours on Saturday. Expect children in the building.
- Soccer leagues are scheduled on our field at 5:00 pm on Sunday. We have a full trial, so your assistance with clean up on Sunday would be appreciated.

TRIAL AND SITE HOURS SATURDAY AND SUNDAY:

The trial site opens at 6:30 am. Judging starts at 7:30 am on Saturday and 7:30 AM on Sunday. The site remains open until 30 minutes after conclusion of judging.

NO DOGS MAY BE LEFT IN THE BUILDING OVERNIGHT

A dog which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler may be moved to the Novice "B" class under the following conditions:

The request for the move must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial. The request must state the reason and justification for the move from a Novice "A" class to the Novice "B" class.

After the close of entries, a dog may be moved down in their class level (i.e., Master to Excellent).

The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or trial secretary at least 30 minutes prior to the start of the trial.

If a VMO or Field Representative at a trial measures a dog into a height other than what they entered, the entry may be changed from Regular to Preferred or from Preferred to Regular, as long as the dog has not run any classes that day.
