VOLUNTEERS

OF COURSE WE NEED YOUR HELP!

Watch for an email after the closing to sign up online via a Google.doc form! Thanks!

COURSE FAMILIARIZATION & TIMING

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog. Electronic timing devices will be used.

OBSTACLES

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place indoors on a dirt surface. This trial will be held indoors, in a 120' x 100' turf ring.

HEIGHT DIVISIONS

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/measured by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog measured by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

**Are You Entered In The Right Height?**

Height at the Withers	Regular	Preferred
11" or less	8"	4"
14" or less	12"	8"
18" or less	16"	12"
22" or less	20"	16"
For dogs over 22 inches at the withers. Regular Dogs may not be entered in this height if they are 22 inches and under.	24"	20"
Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.	24C"	N/A

If a VMO or Field Representative at a trial measures a dog into a height other than what they entered, the entry may be changed from Regular to Preferred or from Preferred to Regular, as long as the dog has not run any classes that day. If the dog has already run, the change may be made for the next trial day(s). The exhibitor must provide the Trial Secretary the AKC Agility Measurement Form when requesting the class change.

- All Measurements Are Effective Immediately
- Exception: Challenge Measurements to Permanent Jump Height Become Effective when Challenge Measurement Process is Complete (see Regulations)
- Dogs Entered in Preferred Classes Must Run in measured Height Division Must be moved up or down to proper height
- **Are You Entered in The Right Height? The Responsibility Is Yours.**

#### AWARDS

Placement Ribbons will be awarded for the first through fourth place in each height division of each class for Standard Agility Classes and Jumpers with Weaves classes.

First Place . . . . . Blue Ribbon  
Second Place . . . . . Red Ribbon  
Third Place . . . . . Yellow Ribbon  
Fourth Place . . . . . White Ribbon

A green qualifying ribbon will be given to all qualifying dogs. Dogs must receive a qualifying score to receive placement awards.

#### SPECIAL AWARDS

The following will also be awarded at our trials: Double Q Ribbon, New Title, Purple and Teal Rosette

MACH & PACH Special Rosette, Medallion, and Bar

All prizes must be claimed the day of the trial. None will be mailed. Ribbons available by selfserve method.

#### CLASS CHANGES EFFECTIVE JANUARY 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend  
Multiple Jump Heights Within the Same Trial Day Effective January 1,

- 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.
- Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.
- A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

#### FIX AND GO ON (FNG)

- Fix and Go On will be offered. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.
- Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

#### ENTERING FOR EXHIBITION ONLY (FEO)

- For Exhibition Only will be offered. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in the all classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring

- environment. Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of any class. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
- Toys must be non-audible
- Toys may not leave the handler's hand
- Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time
